

## KEY TO DESIGN ALIGNMENT DETAILS

- 1** - Existing structure to be retained
- 2** - New structure to be added
- 3** - New structure to be removed
- 4** - New structure to be added and existing structure to be retained
- 5** - New structure to be added and existing structure to be removed
- 6** - New structure to be added and existing structure to be retained and new structure to be added
- 7** - New structure to be added and existing structure to be retained and new structure to be removed
- 8** - New structure to be added and existing structure to be retained and new structure to be added and new structure to be removed
- 9** - New structure to be added and existing structure to be retained and new structure to be added and new structure to be removed and new structure to be added
- 10** - New structure to be added and existing structure to be retained and new structure to be added and new structure to be removed and new structure to be added and new structure to be removed

## GLASS DETAILS

- 1** - Existing glass
- 2** - New glass
- 3** - New glass to be removed
- 4** - New glass to be added
- 5** - New glass to be added and existing glass to be retained
- 6** - New glass to be added and existing glass to be removed
- 7** - New glass to be added and existing glass to be retained and new glass to be added
- 8** - New glass to be added and existing glass to be retained and new glass to be removed
- 9** - New glass to be added and existing glass to be retained and new glass to be added and new glass to be removed
- 10** - New glass to be added and existing glass to be retained and new glass to be added and new glass to be removed and new glass to be added

## DOOR DETAILS

- 1** - Existing door
- 2** - New door
- 3** - New door to be removed
- 4** - New door to be added
- 5** - New door to be added and existing door to be retained
- 6** - New door to be added and existing door to be removed
- 7** - New door to be added and existing door to be retained and new door to be added
- 8** - New door to be added and existing door to be retained and new door to be removed
- 9** - New door to be added and existing door to be retained and new door to be added and new door to be removed
- 10** - New door to be added and existing door to be retained and new door to be added and new door to be removed and new door to be added
